

# PHILIPS

car headlight bulb

LongerLife x2

Type of lamp: H4

Pack of: 2

12 V, 60/55 W

12342ELC2

## Drive with care

2x lifetime, less replacement

With twice the lifetime of a car bulb, Philips LongerLife x2 is the ideal choice for drivers who want to minimize maintenance on their vehicles. To do so, please remember to change lamps in pairs!

### To minimize your maintenance: change in pairs

- Our products are so reliable, they tend to fail in pairs

### Very high quality and ultra resistant car lamp

- Philips car lamps are made of high-quality quartz glass
- Available in most popular automotive lamp types: H4 and H7
- Philips is the choice of major car manufacturers
- Philips car lamps are highly resistant against humidity
- Respecting high quality standards of the ECE homologation

### Lasts significantly longer than a standard lamp

- No replacement necessary for up to 50 000 km

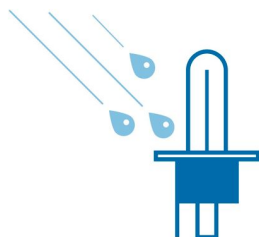

# Highlights

## High quality quartz glass

UV-Quartz glass is stronger than hard glass and highly resistant to temperature extremes and vibrations, which eliminates the risk of explosion. Philips quartz-glass lamps (filament 2 650° C and glass 800° C) are able to withstand severe thermal shock. With the capability of increased pressure inside the lamp, UV-quartz glass is able to produce a more powerful light

## Resistance against humidity

Only a burning bulb made of quartz glass (filament 2650°C, glass 800°C) can resist thermal shocks : if a drop of cold water touches the hot bulb, which can happen when you drive through water with a broken headlight unit.

## Available in H4 and H7

To find out which Philips ExtraLife lamp fits your car, go to [www.philips.com/automotive](http://www.philips.com/automotive)

## Car manufacturer's choice

For 100 years, Philips has been at the forefront of the automotive lighting industry, introducing technological innovations that have become standard on modern automobiles. Today, one in two cars in Europe and one in three worldwide is equipped with Philips lighting.

## Quality lamps fail in pairs

Good quality car lamps tend to fail in pairs. Thanks to our special filament design, our LongerLife x2 lasts up to twice as long as a standard bulb. They also have less early failures. So to avoid having to return to your garage, please remember to change lamps in pairs.

## Lasts 2x longer

With Philips LongerLife x2 drivers don't have to worry about changing a headlamp for up to 50 000 km.

## ECE homologation

Philips Automotive is dedicated to producing best-in-class products and services in the Original Equipment Manufacturer market as well as in aftermarket. Our products are manufactured from high-quality materials and tested to the highest specifications to maximize the safety and driving comfort of our customers. Our entire production is meticulously tested, controlled and certified (ISO 9001, ISO 14001 and QSO 9000) to the highest ECE requirements.

## Packaging Data

Packaging type: C2  
EAN1: 8727900374292  
EAN3: 8727900374315

## Electrical characteristics

Voltage: 12 V  
Wattage: 60/55 W

## Lifetime

Life time: Up to 700h

## Light characteristics

Lumens: 1500 ±10% lm

## Ordering information

Order entry: 12342ELC2  
Ordering code: 37429260

## Outerpack information

Gross weight per piece: 3,18 g  
Height: 19,3 cm  
Length: 55,5 cm  
Net weight per piece: 2,25 g  
Width: 28 cm

## Product description

Type: H4  
Application: High beam, Front fog light, Low beam  
Designation: H4 12342 EL 12V 60/55W P43t-38  
Homologation ECE  
Range: LongerLife x2  
Technology: Halogen  
Base: P43t-38

## Packed product information

Pack Quantity: 1  
MOQ (for professionals): 100  
Height: 7,6 cm  
Length: 9,1 cm  
Width: 4,55 cm

## Marketing specifications

Expected benefits: Long lasting  
Product highlight: Longer life, less replacement
