Superior performance at superior value

As one of our flagship toothbrush heads, Philips Sonicare ProResults is perfect for new or legacy Sonicare users who simply desire that authentic Sonicare cleaning experience at unbelievable value.

Designed to optimise performance
- Optimised Philips Sonicare performance
- Reminder bristles ensure your most effective clean
- Engineered to maximise sonic motion

Proven to improve oral health
- Part of a better oral healthcare routine

A brush head that fits multiple handles
- Works with any Philips Sonicare click-on toothbrush

Highlights

Optimised performance

This Philips Sonicare toothbrush head features a contoured profile to naturally fit the shape of your teeth and to clean hard-to-reach areas.

Maximised sonic motion

Philips Sonicare brush heads are vital to our core technology of high-frequency, high-amplitude brush movements performing over 31,000 brush strokes per minute. Our unparalleled sonic technology fully extends the power from the handle all the way to the tip of the brush head. This sonic motion creates a dynamic fluid action that drives fluid deep between teeth and along the gum line for superior, yet gentle, cleaning every time.

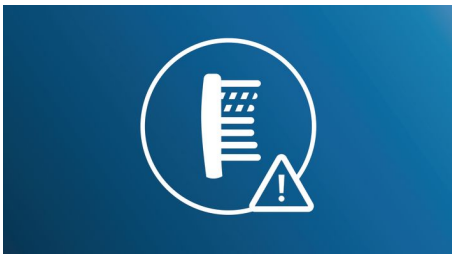
Click-on brush head system

This brush head clicks on and off your brush handle for a secure fit and easy maintenance and cleaning. It fits all Philips Sonicare toothbrush handles except: PowerUp Battery and Essence.

Better oral healthcare

Like all authentic Philips Sonicare-branded brush heads, this brush head is safe on teeth and gums. Each brush head has been quality tested for exceptional performance and durability.

Reminder bristles



At first glance it may not be obvious, but brush heads lose stiffness and gradually wear down over months of normal use. Our blue reminder bristles fade to white and help you recognise when it's time for a replacement. For optimal results, replace your brush head every three months.

Specifications
