Full HD Ultra Slim LED TV

with Digital Crystal Clear

Feel at home wherever you are with the Philips 4200 TV. Compact in size, it's the perfect companion for camping trips or adventures. With a Full HD screen and slim design, it's great for small rooms and can be powered by a 12 volt input.

As flexible as you are

- Compact portable TV: designed to be where the fun is

A clear, vivid picture every time

- Digital Crystal Clear for precision you'll want to share
- Full HD LED TV—brilliant LED images with incredible contrast

Television viewing at your convenience

- Two HDMI inputs and Easylink for integrated connectivity
- USB for multimedia playback
- 12 volt DC power adapter connects TV to mobile power source

PHILIPS

Highlights

Portable Design

Stylish, compact and lightweight. Your small screen TV lets you catch up with your favorite programs in the kitchen, keeps you up to date with the news while you work in the garage, and gives you the latest sports scores as you BBQ. A TV this portable likes to be where the fun is!

Digital Crystal Clear

For natural looking pictures from any source, Philips created Digital Crystal Clear. Whether you're indulging in your favorite shows, movies, the news, or are simply having a few friends over for a night in, you'll enjoy it all in optimal contrast, color and sharpness.

Full HD LED TV

Picture Quality matters. Regular HDTVs deliver quality, but you expect more. Imagine crisp detail paired with high brightness, incredible contrast and realistic colors for a true to life picture.

Two HDMI inputs with Easylink

Avoid cable clutter with a single HDMI cable to carry both picture and audio signals from your devices to your TV. HDMI uses uncompressed signals, ensuring the highest quality from source to screen. Together with Philips Easylink, you'll need only one remote control to perform most operations on your TV, DVD, Blu-ray, set top box or home theatre system.

USB (photos, music, video)

Share the fun. Connect your USB memory-stick, digital camera, mp3 player or other multimedia device to the USB port on your TV to enjoy photos, videos and music with the easy to use onscreen content browser.

12 volt DC power adapter

Connect your TV easily when on the road using a 12 volt DC power adapter attached to your car, truck, boat, or any 12 volt power source.

Specifications

Picture/Display

- Display: LED Full HD
- Diagonal screen size: 22 inch / 55 cm
- Panel resolution: 1920x1080p
- Aspect ratio: 4:3/16:9
