**Connect to a bigger world with this Smart TV**
- Smart TV: a whole new world to explore
- Philips app gallery brings entertainment to you

**Thin TV - Big sound**
- Powerful Sound Processing for uncompromised sound clarity

PHILIPS
Highlights

**Ambilight 2-sided**
You’ve created a home that’s more than just a house, so why not choose a TV that is warm and inviting too? Philips unique Ambilight technology makes your screen much wider—and your viewing experience more immersive—by emitting an extra wide glow from two-sides of your TV screen onto the surrounding wall. Color, vibrancy and excitement move beyond the screen and into your living room to bring you a viewing experience beyond the ordinary.

**New open stand**
A television with modern, refined lines deserves a stand that lifts it above the ordinary. That is why the designers at Philips TV created this unique, open stand to integrate beautifully with your decor.

**4K Ultra HD**
Ultra HD TV has four times the resolution of a conventional Full HD TV. With over 8 million pixels and our unique Ultra Resolution Upscaling technology, you’ll experience the best possible picture quality. The higher the quality of your original content, the better images and resolution you will be able to experience. Enjoy improved sharpness, increased depth perception, superior contrast, smooth natural motion, and flawless details.

**Pixel Plus Ultra HD**
Experience 4K Ultra HD sharpness with the Philips Pixel Plus Ultra HD engine. It optimizes picture quality to deliver smooth, fluid images with incredible detail and depth — Enjoy sharper 4K images with brighter whites and blacker blacks every time.

**High Dynamic Range Plus**
High Dynamic Range Plus is a new video standard. It redefines in-home entertainment through advances in contrast and color. Enjoy a sensory experience that captures the original richness and liveliness, yet accurately reflects the content creator’s intent. The end result? Brighter highlights, greater contrast, a broader range of colors and detail like never before.

**Smart TV**
Discover a Smarter experience that lies beyond traditional TV. Rent and stream movies, videos or games from online video stores. Watch catch-up TV from your favorite channels and enjoy a growing selection of online apps with Smart TV.

**Philips TV/STA gallery**
Philips app gallery is a wide-ranging collection of online apps that you can access as soon as your Smart TV is connected to the Internet. It’s that easy! Just switch on your TV, connect to the Internet and experience a whole new world of entertainment online.

**Sound processing**
A gust of wind, a leaf hitting the ground, the sound of tires zooming down a windy road. It is the little details that bring the picture to life. Philips Sound Processing brings these details together with uncompromised sound clarity. Hear everything as the director intended with studio-grade sound mixing that supports original audio content, and enhances sound when needed. Deep bass, clear dialogue, and amazing accuracy is just the start.
