Troubleshooting

No dialing tone

- Check your phone connections.

The handset is out of range. Move it closer to the base station.

The signal icon flashes.

- The handset is out of range. Move it closer to the base station.

If the handset displays **[UNREGISTERED]**, register the handset.

The caller ID does not display.

- The service is not activated. Check with your service provider.

The caller's information is withheld or unavailable.

For more information, see the User Manual.

ECO mode

The **ECO** mode reduces the transmission power of the handset and base station.

1. Press **menu**.
2. Select **[ADVANCED SET]** > **[ECO]**, then press **[SELECT]** to confirm.
3. Select the new setting, then press **[OK]** to confirm.
   - ↳ The setting is saved.
   - ↳ **ECO** is displayed instead of Y in standby mode

Note

- When the **ECO** mode is activated, the connection range between the handset and the base station can be reduced.
