Highlights

Photo-realistic Style Previews

The Grooming app's Style Preview feature allows you to try different styles without having to create them for real. See different beard styles on your face, simply by taking a picture.

Personalised Style Advice

Try the Grooming app's state-of-the-art algorithm for instant personalised style advice based on your facial features, your style, your personality and more. The Style Advice feature builds on our 75 years of heritage in shaving and grooming and was developed in close collaboration with internationally renowned barbers and style experts.

Personalised Shaving Advice

The Grooming app's personalised Shaving Advice provides you with a tailored recommendation on how to maximise your shave, based on beard growth and skin sensitivity across various areas of your skin. We have developed the professional advice after listening to millions of men around the

world with the collaboration of professional experts with decades of experience in the area of shaving.

Gallery of Beard Styles

Check out a variety of styles in our gallery, ranging from basic moustaches to cutting-edge beard styles. The collection of styles is continuously updated to keep pace with the latest trends in fashion, lifestyle and men's grooming.

Step-by-Step Guidance

Style with confidence: Use the Grooming app's comprehensive step-by-step How-To Videos to create any beard style you want.

Tips and Tricks from experts

Philips Shaving and Grooming experts have teamed up with professional barbers and international style experts to deliver useful tips and tricks that help you style with confidence and maximise your shave.

News, Trends and Insights

Stay up to date with news, trends and insights from the men's grooming arena via the Grooming app.
