Steam kills bacteria and germs

**Kills up to
99.9%
of bacteria**

Enjoy the most hygienic steam cleaning results with Philips SteamCleaner Active. Philips SteamCleaner Active kills up to 99.9% of germs and bacteria. Sanitize all floors without chemicals and only the use of water.

100% chemical free cleaning

SteamCleaner Active works with water only. It does not leave any kind of chemical residues on your floor.

Suitable for tap water

SteamCleaner Active is specially developed to clean using tap water. Its Active Calc Filter decalcifies water automatically. We advise to replace the Active Calc Filter at least every 6 months to prevent calcification and enjoy great performance over lifetime.

No detergent needed

No detergent needed, no residues left on surfaces

Flat triangular nozzle

Its triangular extra flat nozzle reach even in hard to reach places like corners or alongside plinths. Multiple steam holes spread the steam evenly.

Washable microfiber pads

2 washable and durable microfiber pads are included. The soft microfiber material gently loosens, lifts, and absorbs dust and dirt. Removing dirt effectively and gently. The microfiber pads are machine-washable and easy to attach and remove.

Self standing

Self standing

Auto off for your safety

When you pause during steam cleaning the SteamCleaner Active stops steaming automatically in upright position. For extra safety and peace of mind.
