

Philips Performer
Compact
Vacuum cleaner with bag

AirflowMax technology
TriActive nozzle
Hard floors nozzle

FC8375/09

Full performance. Easy to use

Compact yet powerful with AirflowMax technology

The new Philips Performer Compact vacuum cleaner delivers top cleaning performance with minimum effort. AirflowMax technology keeps the suction power stronger for longer. The TriActive nozzle removes dust efficiently on all floors.

Remarkable cleaning results

- High performance with 3AAA energy ratings
- Revolutionary AirflowMax technology for strong suction power
- The TriActive nozzle applies 3 cleaning actions in one go

Effortless cleaning

- On-board accessories for ultimate convenience
- ActiveLock couplings to easily adjust to each cleaning task
- Compact and light for effortless cleaning and easy storage

Clean air filter system

- S-bag Classic Long Performance lasts up to 50% longer
- Allergy filter captures more than 99.90% of fine dust
- ECARF allergy-friendly quality tested

reddot award 2016
winner

PHILIPS

Highlights

3AAA Energy rating

Engineered to achieve full performance with an A rating for energy efficiency, A on hard floor cleaning performance and A on dust re-emission.

AirflowMax technology

The unique AirflowMax technology keeps the suction power stronger for longer* to use the bag to the very end. The technology is built around the optimization of three key elements: 1) Unique ribs profile inside the dust chamber to maximize airflow around the dustbag and enable the use of the entire bag surface. 2) Specially designed dust chamber capacity that allows the dustbag to fully unfold uniformly. 3) High quality, non-clogging fibre structures in the dustbag absorb dust without blocking the pores, thus avoiding a reduction in suction power.

TriActive nozzle

The TriActive nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It picks up the dust and dirt closely alongside furniture and walls with its left and right side air channels.

On-board accessories

The vacuum cleaner is designed with integrated accessories, so that you do not need to carry extra pieces around while you clean. The crevice tool is located on the canister, always ready to use.

IF DESIGN AWARD

Award-winning products are selected by the top names in design. Each year, iF International Forum Design GmbH organizes one of the world's most celebrated and valued design competitions: the iF DESIGN AWARD. Recognized as a symbol of design excellence around the world, the iF DESIGN AWARD welcomes over 5,000 submissions from 70 countries every year.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Specifications

Performance

- Energy efficiency rating: A
- Annual energy consumption: 27.5 kW h
- Carpet cleaning class: C
- Hard floor cleaning class: A
- Dust re-emission class: A
- Sound power level: 78 dB
- Input power (IEC): 750 W
- Vacuum (max): 17,5 kPa

Design

- Color: New blue

Filtration

- Dust capacity: 3 L
- Dust bag type: s-bag Classic Long Performance
- Exhaust filter: Allergy filter
- Motor filter: 1 layer foam filter

Usability

- Action radius: 9 m

- Cord length: 6 m
- Tube type: Metal 2-piece telescopic tube
- Tube coupling: ActiveLock
- Wheel type: Rubber
- Carrying handle: Front

Nozzles and accessories

- Standard nozzle: TriActive nozzle
- Additional nozzle: Hard floor nozzle
- Accessories included: Crevice tool, Integrated brush

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Weight of product: 4.2 kg
- Dimensions of product (LxWxH): 400 x 282 x 251 mm

Issue date 2018-03-21

Version: 25.4.1
