Full performance with PowerCyclone 4
Quick and easy emptying

The new Philips PowerPro Active bagless vacuum cleaner delivers top cleaning performance, thanks to PowerCyclone technology and TriActive+ nozzle, engineered to maximize dust pick-up. The dust container is easy to empty, with no dust cloud.

**Remarkable cleaning results**
- PowerCyclone 4 technology separates dust and air in one go
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust

**Effortless cleaning**
- Advanced dust container design for hygienic emptying
- ActiveLock couplings to easily adjust to each cleaning task
- Reach all corners thanks to the extra long ergonomic grip
- Soft brush integrated into handle, always ready to use
- Variable power setting

**Clean air filter system**
- Ultra-Hygiene filter captures more than 99% of fine dust
**PowerCyclone 4 Technology**

PowerCyclone 4 technology maximizes airflow and performance by separating dirt from air in one go. It delivers remarkable cleaning results through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

**TriActive+ nozzle**

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

**Easy to empty dust container**

The dust container is carefully designed to dispose collected dirt without creating a dust cloud. It is one-hand operated and thanks to its unique shape and smooth surface, you can easily control the emptying of the dust container.

**Soft brush at your fingertips**

A dusting brush attachment is built right into the handle so it's always ready to use for furniture, flat surfaces and upholstery.

**ActiveLock couplings**

The ActiveLock couplings allow you to easily connect and disconnect the different nozzles and accessories from the telescopic tube while cleaning.

**Extra long ergonomic grip**

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

**Ultra-Hygiene filter**

Developed to capture the finest dust before the air is blown out, to meet the needs of people demanding a higher level of hygiene.
Specifications

Performance

- **Airflow (max):** 27.8 l/s
- **Input power (IEC):** 750 W
- **Sound power level:** 78 dB
- **Vacuum (max):** 16.8 kPa

Usability

- **Action radius:** 9 m
- **Carrying handle:** Top and front
- **Cord length:** 6 m
- **Tube type:** Metal 2-piece telescopic tube
- **Wheel type:** Rubber
- **Tube coupling:** ActiveLock
- **Power control:** Electronic on appliance

Design

- **Color:** Full red

Filtration

- **Dust capacity:** 1.7 L
- **Exhaust filter:** Microfilter
- **Motor filter:** Ultra-Hygiene

Nozzles and accessories

- **Accessories included:** Crevice tool, Integrated brush
- **Accessory storage:** On tubeclip
- **Additional nozzle:** Hard floor nozzle
- **Standard nozzle:** TriActive+ nozzle

Sustainability

- **Packaging:** > 90% recycled materials
- **User manual:** 100% recycled paper

Weight and dimensions

- **Dimensions of product (LxWxH):** 473 x 304 x 301 mm
- **Weight of product:** 6 kg
