GC122/78

Easy to use and Long lasting

Diva is the new Philips dry iron with the slim tip soleplate, which reaches easily in the trickiest places. Comfortable handle with texturing and large and easy temperature control make the iron easy to use.

Easy gliding on all fabrics

- Non-stick soleplate coating

Comfortable ironing

- Button groove speeds up ironing along buttons and seams
- Comfortable handle with texturing for easy grip
- Cord winder for easy cord storage
- Slim tip soleplate reaches easily in tricky areas
- The light weight iron helps to iron with less effort

Full control

- Easy temperature control
- Temperature light indicates when the iron is hot enough

Highlights

Button groove

Button groove speeds up ironing along buttons and seams.

Comfortable handle

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.

Easy temperature control

An elevated temperature control is easy to operate and precise. You will always have the right temperature for your garment.

Slim tip soleplate

The slim tip of the soleplate allows to reach easily in the most tricky areas, such as between the buttons, when making pleats and in the corners.

Temperature light-indicator

Temperature light goes on when the iron is heating up and goes off when the soleplate temperature has reached the set level.

Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for good gliding performance on all fabrics.

Easy storage

The cord can be wrapped around the heel rest, so that the appliance is easy to store.

Light weight

The light weigh iron combined with the non stick coating helps to glide easily and remove wrinkles faster .
