# Highlights

## Steam up to 45 g/min

Continuous steam output of up to 45 g/min gives you the perfect amount of steam to efficiently remove all creases.

## Auto Steam Control

Auto Steam Control takes away your worry for selecting the amount of steam you need. Just select the temperature for the garments you're ironing and off you go.

## Optimal weight

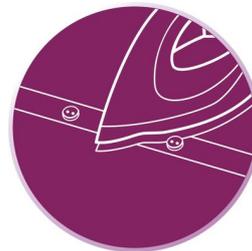

The iron has the optimal weight to move easily over any garment, making ironing less of a hassle and easy to constantly place the iron on the board and back to its heel rest.

## SteamGlide soleplate

The SteamGlide soleplate on the Azur Performer steam iron gives an experience of premium gliding, great scratch resistance and is easy to clean.

## Triple Precision Tip

The pointed tip on the Philips Azur Performer is very precise in 3 ways: it has a pointed tip, button groove and a sleek design of the nose. The Triple Precision tip enables you to reach even into the most tricky areas, e.g. around the buttons or between the pleats.

## 2400W for quick heat up

With the 2400W the Azur Performer Plus steam iron will heat up quickly and give a powerful performance to deliver super ironing results.

## Built-In calc container

Our specially designed and built-in calc container collects calc particles during ironing. The Self Clean process flushes the calc out of the iron to maintain consistent ironing performance day after day.

## Self-Clean

In addition to the built-in calc container, the self-clean function of your soleplate will remove the most stubborn calc. A clean soleplate will improve your steam performance and ironing results.

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

# Specifications

## Easy to use

Power cord length: 2 m  
Water tank capacity: 300 ml  
Drip Stop  
Refill any time during use  
Sideways opening door  
Soleplate name: SteamGlide

## Fast crease removal

Variable steam levels  
Vertical steam  
Water spray

## Green efficiency

Product packaging: 100% recyclable  
User manual: 100% recycled paper

## Guarantee

2 year worldwide guarantee

## Scale management

Descaling and cleaning: Built-in calc container, Self clean

## Size and weight

Packaging dimensions (WxHxL):  
34,1\*30\*36 cm  
Product dimensions (WxHxL): 16\*32,6\*14 cm  
Total weight with packaging: 1,52 kg  
Weight of iron + base: 1,75 kg

## Fast & powerful crease removal

Continuous steam output: 45 g/min  
Power: 2400 W  
Soleplate: SteamGlide Plus  
Steam boost: 170 g
