Discover fuller flavours

Constant high temperature to seal in the flavour

This powerful Philips plancha grill has a high temperature plate to seal in all the juicy flavour. It's fast-heating and has an extra thick plate that stays hot no matter what, while the thermostat ensures perfectly-cooked meals every time.

Discover variety of fuller flavours

- High temperature grill plate seals in all the flavour
- Adjustable thermostat ensures perfect results for every food
- High power for heating up fast and keeping a constant heat

Only a little effort

- Non-stick grilling surface
- Easy to store upright
- Dishwasher-safe parts

Smart features

- Grease drainage

Highlights

High temperature grill plate

The high temperature of the Philips electric grill plate seals in all the juices and flavour of the food. That's because the moment the food comes into contact with the surface of the grill, it begins to sizzle and brown, forming a tasty crust that keeps all the goodness and flavour inside, where it belongs.

Adjustable thermostat

Adjustable thermostat ensures the perfect result.

Upright storage

Easy to store upright; tidy storage of cord and tray.

Dishwasher-safe parts

Dishwasher-safe parts make cleaning easy.

Grease drainage

Excess grease is drained to removable tray.
