More life in every bowl

Smart and automatic rice cooking

Nutrition is the most important element to keep healthy. The Philips' rice cooker HD4733/30 comes with automatic cooking programs for rice and congee that better preserve the freshness and nutrients in every bowl of rice.

Smart and automatic cooking

- Top and bottom heating cooks rice more evenly
- Automatic keep warm keeps rice fresh for 12 hours
- Dedicated program for congee cooking

Easy to operate

- One touch button for easy control

The ultimate in convenience

- Easy-to-clean non-stick inner pot
- Detachable power cord for convenient storage
- Advanced lid design for easy and safe access
- Easy-to-read water level indicator
- Swing handle for easy carrying

Highlights

Top and bottom heating cooks rice more evenly

Top and bottom heating cooks rice more evenly

Automatic 12 hours keep warm

Use the keep warm function to keep rice warm for a longer period of time. When the cooking process is finished, the rice cooker automatically switches to the keepwarm mode

Congee cooking

Cooking congee with optimal result

One touch button

One press button to control cook or keep warm, with clear light on the panel to show cooking status

non-stick inner pot

The Philips rice cooker is specially coated with the non-stick material which is more durable and easy to clean.

Detachable power cord for convenient storage

Detachable power cord for convenient storage

Advanced lid design
