- Detachable filter holder
- Cable storage
- LED power switch

Compact design

- 1,2l capacity for 10 - 15 cups

PHILIPS

Coffee maker
With thermal jug Black metal

Highlights

Thermal jug

The unbreakable stainless steel thermal jug of this Philips coffee machine maintains perfect temperature and aroma for hours.

Water level indication

The coffee machine's water level indication allows for easy filling of the water tank.

Drip stop

Drip stop to interrupt coffee brewing whenever you want to pour a cup of coffee

Direct auto shut-off

After brewing your filter coffee, the Philips coffeemaker switches off automatically. The thermal jug will ensure that the coffee stays warm for a long time.

Cord storage

Storing the cable under the coffeemaker will avoid cable clutter for a clean kitchen work top.
