- Recipe booklet

Easily cook a complete meal in one go

- 9L capacity and removable tray bottoms
- Keep Warm function keeps food ready for serving
- Steaming bowl for soup, stew, rice and more
- Turbo start cooks faster & keeps more nutrition in the food

Smart and convenient handling

- Digital timer
- Easy to fill with water
- Digital water refill indicator with signal
- Parts are dishwasher safe

Highlights

Aroma Infuser

The unique Aroma Infuser of the Philips steamer adds delicious aroma of herbs and spices, bringing even more taste to steaming. Simply pop your favourite herbs and spices into the booster, and let steam do the rest. The heat from the steam releases delicate aromas from the herbs and spices, which thoroughly infuse the food with their mouth-watering flavours.

9L capacity

9L capacity and removable tray bottoms

Turbo Start

Turbo start helps you to reach your perfect steaming temperature within seconds and therefore keeps more nutrition in the food.

Digital timer

Digital timer signals when your food is ready.

Digital Water refill indicator

Digital water refill indicator signals when water level is low.

Easy waterfill

Easily refill the reservoir while in use.

Keep Warm function

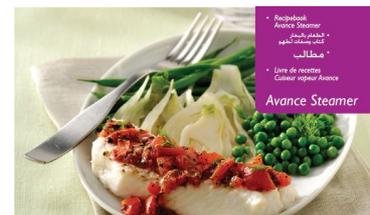

Keep Warm function keeps your food warm till it's served.
