- 1.8 m power cord
- Universal voltage

Highlights

16 mm barrel

With the barrel diameter of 16 mm you can create curls and ringlets for a joyful and young look.

180°C temperature

This high temperature enables you change the shape of your hair, and gives you that perfect look like you've just come from the salon.

Instant heat up

The curler has a fast heat up time, being ready to use in 60 seconds.

On/off indication light

On/off indication light

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

1.8 m cord

1.8 m power cord
