

PHILIPS

Epilator

Satinelle Soft

Total body

HP6512/50

For skin that is always smooth

Removes hair for weeks, cares for your skin

Try out epilation with this new Philips epilator system, which removes hairs from the roots, giving you a smooth skin for weeks (not days) and is gentle to your skin. Comes with a unique set of first-time user attachments to achieve the best results

Optimal ease of use

- Hair lift & massage attachment
- Fully washable epilation head for optimal hygiene
- Extra speed setting: gentle epilation or faster performance

Skin comfort

- Hypo-allergenic discs assure an optimal hygiene
- Exfoliation glove helps prevent in-grown hairs

Long lasting smooth legs

- Efficient epilation system pulls out the hairs from the root
- Removes hair as short as 0.5mm

Highlights

Discs

Removes hair as short as 0.5mm

Efficient epilation system

Efficient epilation system leaves your skin smooth and stubble free for weeks

Exfoliation glove

Helps prevent in-grown hairs in between epilation sessions

Hair lift & massage attachment

Lifts even the short hairs for an extra close epilation and relaxes your skin for a gentler hair removal at the same time.

Hypo-allergenic

Hypo-allergenic discs assure an optimal hygiene

Two Speed Settings

Speed 1 for extra gentle epilation and speed 2 for faster performance

Washable epilation head

The head can be detached and cleaned under running water for better hygiene
