Highlights

1500W caring dryer power

This 1500W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

Three flexible settings

The speed and heat required can be easily adjusted to create the perfect end result. Three flexible settings ensure precise and tailored styling.

Foldable handle

This hairdryer benefits from a foldable handle. The result is a small, compact hair dryer that will easily pack into the smallest spaces and you can take virtually anywhere.

Efficient integrated nozzle

A unique dryer where the nozzle is integrated into the streamlined design – for maximum drying efficiency.

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

Easy hanging loop

The rubberised loop is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.
