# Highlights

## Travel pouch

This set comes with a travel pouch for use when travelling. The stylish pouch is designed to contain the hairdryer and the straightener and help protect them from damage.

## Gentle drying power 1400W

This 1400W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

## Careful drying

This compact hair dryer offers you 2 pre-selected heat & speed combinations for an easy, quick and caring blow dry.

## Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

## 200°C professional high heat

This high temperature enables you to change the shape of your hair and gives you that perfect look you want.

## Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefore one of the best materials for straightening plates. The ceramic plates are carefully processed to enhance the gliding and caring properties, giving you perfect shiny hair.
