Highlights

Specifications

Washable shaver

The water resistant shaver can be easily rinsed under the tap.

Super Lift & Cut technology

Dual blade system: first blade lifts, second blade cuts for a comfortable close shave.

Floating Heads and ReflexAction

Independently floating heads ensure comfortable skin contact while the reflex action system automatically adjusts to the curves of your face and neck.

Self-sharpening blades

The blades sharpen themselves with each use to ensure a clean, close shave every time.

Anti-slip grip

The soft-touch slim fit handle with ribbed grips is designed to fit comfortably in your hand for maximum control.

Slim fit handle

Slim design fits comfortably in your hand
