- 3 speed settings and turbo function for any recipe
- Easy-clean surfaces and dishwasher-safe accessories

#### **Technology - where it counts**

- Power-efficient drive system for up to 1kg of heavy dough

# Highlights

## Power-efficient 360W motor

The power-efficient 360W motor was especially developed to bring best performance with optimal power consumption to even manage up to one kilogram of dough.

## 3 speed settings and Turbo

3 speed settings and turbo function for a variety of recipes, from light to heavy applications. You can use the turbo setting to mix quicker or to increase the speed during heavy jobs, e.g. kneading yeast dough.

## 3 years guarantee

3 year product guarantee will be provided upon registration within 3 months after purchase.

## Power-efficient drive system

With the combination of a special constructed energy saving drive system and highly effective beaters and dough hooks, the Robust

Mixer is capable of handling a variety of recipes and can even handle up to 1.3 kg of heavy dough.

## Comfortable innovative grip

It is designed to create a delightful user experience offering a convenient heel rest as well as a comfortable innovative grip.

## Solid metal body

The mixer has a full metal body and is equipped with full stainless steel beaters and hooks.

## Highly effective SS beaters

Thanks to its powerful and effective design of the beaters and hooks the Robust mixer combines best performance for whisking / whipping and kneading in one product.

## Dishwasher-safe accessories

It is easy to clean thanks to its smooth surfaces and dishwasher-safe accessories.
