- Citrus press for fresh juice in minutes
- Grinder mill
- Self feeding meat mincer

### Easier than you thought

- Unique open arm for full bowl access, easier to attach tools
- Easier to clean with rounded edges, covered hinge

## Highlights

### Powerful 900 W motor

Powerful 900 W motor for consistent, unbeatable results.

### Planetary Mixing Action

Planetary Mixing Action allows the kneading, mixing and whisking tools to move in a unique backwards and forwards movement rather than just in a simple circle, reaching all corners of the bowl, and resulting in the smooth, thoroughly mixed ingredients.

### 4L metal bowl with handle

Large, robust 4L metal bowl can comfortably knead upto 1300gms of dough so you can make upto 4 12" pizzas or 2 loafs of bread in one go. The metal handle makes it easy to carry and pour. While the splash guard cover prevents splashing when in use.

### 7 speed control and pulse

Multiple speeds and pulse gives maximum control for unlimited variety of recipes.

### Strong metal bowl tools

Metal kneading hook, beater and whisk are easy to lock into place with a simple twist. Specially designed kneading hook mimics kneading by hand to ensure smooth, lump free dough.

### Unique open arm for easier use

The open arm swings up in a practical position so you can easily attach and detach the bowl tools. It can be closed again with a simple one hand push. The open arm also offers you full bowl access, a practical feature when checking consistency or adding ingredients.

### 1.25L blender jar

Based on world class, leading Philips blender technology, high performing blender attachment with a 4 star blade blends fruit, purees vegetables, crushes ice effortlessly. So you can enjoy smoothies, sauces, dips or baby food in minutes.

### 1.5L Food processor

Easy to attach food processor bowl with dedicated discs for slicing, chopping, shredding or granulating all variety of ingredients from vegetables to nuts to cheese.
