- Grinder mill
- Self feeding meat mincer
- 1.5L Food processor that slices, chops, shreds, and julienne

asimpleswitch.com

Highlights

1.25L blender jar

Based on world class, leading Philips blender technology, high performing blender attachment with a 4 star blade blends fruit, purees vegetables, crushes ice effortlessly. So you can enjoy smoothies, sauces, dips or baby food in minutes.

4L metal bowl with handle

Large, robust 4L metal bowl can comfortably knead upto 1300gms of dough so you can to make upto 4 12" pizzas or 2 loafs of bread in one go. The metal handle makes it easy to carry and pour. While the splash guard cover prevents splashing when in use.

7 speed control and pulse

Multiple speeds and pulse gives maximum control for unlimited variety of recipes.

Dishwasher safe parts

Dishwasher safe bowl and accessories.

Easier to clean

Designed with rounded edges and covered gaps for easy, smooth cleaning. Plus dishwasher safe bowl and accessories.

Grinder mill

Dedicated mill for grinding coffee, chocolate, nuts and other dry ingredients.

Planetary Mixing Action

Planetary Mixing Action allows the kneading, mixing and whisking tools to move in a unique backwards and forwards movement rather than

just in a simple circle, reaching all corners of the bowl, and resulting in the smooth, thoroughly mixed ingredients.

Self feeding meat mincer

Metal self feeding mincer that minces xxxgms of meat per second. With special cleaning tool to easily and thoroughly clean the mincing screen.

Strong metal bowl tools

Metal kneading hook, beater and whisk are easy to lock into place with a simple twist. Specially designed kneading hook mimics kneading by hand to ensure smooth, lump free dough.
