

Philips
Soundbar Home theater

HSB3280

Bring your gaming experience to life

with wireless subwoofer

The Philips SoundBar HSB3280 gives you powerful audio effects that your flat TV cannot deliver. The 1-piece integrated system with a wireless subwoofer requires no additional speakers or unruly wires for a truly immersive gaming experience.

Great listening experience

- Dolby Virtual Speaker for realistic surround sound
- Subwoofer for powerful bass

Connect and enjoy all your entertainment

- 300W RMS total output power
- USB Link plays photos and music from USB flash drives
- MP3 Link plays music from portable media players

Designed to enhance your living space

- SoundBar design best fitting a 81 cm (32") flat TV or larger
- Flexible placement on the wall or tabletop
- Wireless subwoofer for incredible bass without the wires
