

For this product there is an e-Manual

To obtain the manual follow the steps below:

## Step 1: Download the e-manual

The screenshot shows the Philips website's 'Contact & Support' page for a PCVC840K/00 PC camera. A 'Product support' dropdown menu is open, with 'Software' highlighted in red. Other options include 'Documentation' and 'Product Pictures'. The page also features a 'PHILIPS' logo, a search bar, and a breadcrumb trail: 'You Are Here: Home > Consumer Products > Contact & Support > Product Selector > Search results > Product'.

Click software

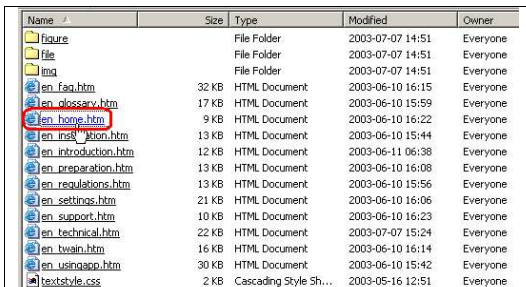

The screenshot shows the 'Installation CD Content' section of the website. A red box highlights the 'English, Zip file (2.05 MB)' option. Below it, other language options are listed: Dutch, French, German, Italian, Portuguese, Spanish, and Swedish, each with a corresponding zip file size.

- Browse to "Installation CD Content"
- Select preferred language
- Save the file to disk

## Step 2: Unzip the file

## Step 3: Start the e-Manual
