QG3374/16

All-in-one, Face & Head Multigroom

Maximum versatility for the exact style you want

Complete your style with this waterproof, turbo-powered MultiGroom Pro grooming kit. A full metal trimmer and a set of 7 attachments—including adjustable combs with up to 18 length settings—gives you styling power over face and hair.

Easy to use

- 50 minutes of cordless use after 1-hour charge.
- Turbo power boost for fast results on thick hair
- Battery light shows battery status
- Fully washable for easy cleaning

Skin friendly performance

- Skin-friendly trimmer blades are easy on your face and neck
- Detail foil shaver for a close finish around the edges
- Nosetrimmer: Comfortably remove unwanted hairs
- High performance trimmer for faster, easier styling
- 20mm detail trimmer for exact lines, small areas and details
- Extra wide hairclipper for a complete and even haircut

Versatile

- 18 length setting beard & moustache comb

Highlights

Beard & moustache comb

Keep your beard at the length you prefer. Choose from 18 length settings in 1mm steps (1-18mm) by using the beard & moustache comb on the full-sized trimmer.

Detail foil shaver

After trimming, finish your style with the detail foil shaver for a clean, polished look.

High performance detailer

Create the fine lines and details that define your style with the 20 mm precision trimmer.

High performance trimmer

Create perfect stubble or clean lines around the edge of your beard. The full metal guard on this high performance trimmer delivers a professional look.

Nose trimmer

Easily and comfortably remove unwanted hairs from your ears and nose with this clip-on rotary trimmer.

Hair clipper

Get a complete and perfectly even haircut with this 41mm high performance hairclipper

Corded & Cordless Use

High performance battery with 50 min usage after only 1 hour charge. Also features a 5 min quick charge for one complete trim. If you run out of battery power while trimming, just plug it in and keep trimming.

Turbo power

Get fast results on thick hair with the turbo setting, which increases cutting speed.

Battery light

Glance at the battery light to know when the battery is low or fully charged. When you have 10 minutes of usage left, the indicator light is orange. When charging, the indicator light is blinking; you'll see a steady green light when the battery is fully charged.

Skin-friendly high-performance

The steel blades lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent skin irritation.
