

# Quick start guide

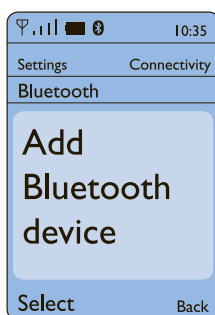

Philips Bluetooth stereo headset SHB9001WT

EN

Make sure to “pair” your new Philips headset with your mobile phone before you use it for the first time.

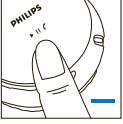

- 1 Make sure the headset is charged, your mobile phone is turned on and its *Bluetooth* feature enabled.
- 2 With the headset turned off, press  until the LED starts blinking red and blue alternately.
- 3 Pair the headset with your mobile phone.  
(Check your phones’ user manual for details).

“0000”  
not required for  
some mobile phones

Please refer to [www.philips.com/welcome](http://www.philips.com/welcome) for the full user manual

# PHILIPS
