PHILIPS

Highlights

Premium wood-finished handle

Premium wood-finished handle to suit modern home décor

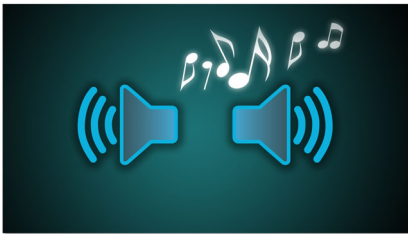

FM / MW / LW digital tuner

The built-in FM/ MW/ LW digital tuner lets you enjoy your favorite songs or news from your radio station every day. Simply tune into the station that you want to preset, press and hold the program button to memorize the frequency. You can preset up to 30 radio stations and enjoy your favorite programs whenever you go.

One-touch preset stations

This radio comes with a total of 30 station presets (10 for the FM band, 10 for MW band and 10 for LW band) for added convenience. Once you have selected a station using the digital tuner, you can save it using one of the station preset buttons. To reach your desired station later on, simply press the same number preset button. There is no need to search for the station again using the digital tuner.

Built-in speaker

A speaker offers good sound quality for more pleasure.

Large backlit LCD display

Backlit LCD display ensures easy viewing and operation in low light conditions, and provides clear information at a glance.

Built-in clock

A built-in clock keeps time accurately. When the radio is off, the clock display comes on for added convenience.

Low battery indicator

The low battery indicator lights up when the power is low.

Mains or battery operated

Power your Philips radio set with batteries or a direct mains supply, and enjoy great convenience and flexibility. When a power socket is not available or when you don't want unsightly wires trailing, simply operate the set with batteries. When you need a continuous and stable power supply, connect the set directly to a wall socket. Now you can truly enjoy the freedom of listening wherever you like.

AUDIO-IN (3.5mm)

Make one easy connection and enjoy all your music from portable devices and computers. Simply plug your device to the AUDIO-IN (3.5 mm) port on your Philips set. With computers, the connection is typically made from the headset output. Once linked, you can enjoy your entire music collection directly, on a set of superior speakers. Philips simply delivers better sound.
