FC8018/01

Starter kit for CompactGo

Philips Original dust bags and filter replacements

Original starter kit for the Philips CompactGo range. The kit contains 5 dust bags (paper), together with the motor and exhaust filters which need to be replaced once a year.

Philips Original accessories

- Disposable paper bags for CompactGo
- Exhaust filter
- Motor filter

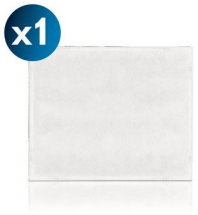

Highlights

Paper bags

The kit contains 5 x disposable paper bags.

Exhaust filter

The kit contains 1 x exhaust filter. The filter catches the fine dust before the air is expelled back into the room. This results in a clean, dust-free air in your home. The filter should be replaced once a year.

Motor filter

The kit contains 1 x motor filter. This filter prevents fine dust from reaching the motor and damaging it. The filter should be replaced once a year.

Specifications
