Highlights

Brushed aluminum stand

A TV with presence. Because real metal makes a quality statement in your home, our designers used classic brushed aluminum for the stand to match the solid metal facing at the front of your TV.

Modern design

Designed with a contemporary look to blend with your décor. Because your TV should look as beautiful off as it does on.

Free placement

The swivel function on this central stand allows you to place the TV in the optimal position, offering you a truly relaxing viewing experience.
