S8880/68

Premium personal care experience

with wireless charging

Introducing the new Philips "Premium men's care kit" – the only all-in-one solution that delivers a premium personal care experience by taking care of your shaving, skin and oral care needs.

Unique retro-futuristic design

- Retro-futuristic look with very refined details
- Optimal ergonomics for the best shave results

Best shaving performance

- Cuts 30% closer in less strokes
- 8X-direction flex heads
- Get a comfortable dry or refreshing wet shave with Aquatec

Whiter, healthier teeth for life

- Sonic technology for a superior clean
- Up to 7X better plaque removal than a manual toothbrush
- 5 brushing modes for a customized clean

Smart of use

- Wireless charging pad
- Click-on beard styler with 5 length settings
- More effective at cleaning your face than hand washing alone

Highlights

Wireless charging pad

One wireless charging pad to charge all your Qi-enabled devices, including your Qi-enabled smartphone.

V-Track Precision Blades

The V-track Precision Blades gently position each hair in the best cutting position, even the flat laying and different length of hairs. Cuts 30% closer in the less strokes leaving your skin in great condition.

Contour Detect Technology

The new fully flexible 8X directional heads maximize facial adaptability requiring less effort in every stroke. Its independent movements allow to catch 20% more hairs for a clean shave in less strokes.

SmartClick cleansing brush

More effective at cleaning your face than hand washing alone*. Removes dead skin cells and increases micro-circulation to leave your skin feeling less oily, clean, fresh and radiant.

SmartClick beard styler

Change your look with the SmartClick Beard Styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

Aquatec Wet & Dry

Choose how you prefer to shave. With the Aquatec Wet & Dry seal, you can opt for a quick dry shave or a more comfortable wet shave with gel or foam – even under the shower.

Sonic technology

At over 31,000 brush strokes per minute, Philips Sonicare electric toothbrushes deliver a superior clean that you'll both see and feel. The dynamic cleaning action of our sonic technology drives fluid deep between teeth and along the gumline. You get a powerful yet gentle clean that delivers clinically proven results.

Removes up to 7X more plaque

Removes up to 7 times more plaque from hard to reach places than a manual toothbrush.

5 brushing modes

5 brushing modes for a customized clean (Clean, White, Sensitive, Gum Care, Deep Clean).

Retro-futuristic look

The shaver has very refined details, like its elegant combination of colors and textured finishes.

Replacement head: Replace every 2 yrs with
SH90

* For compatibility, look for the Qi logo (as picture below left) on supported devices. The Qi logo may be printed on the device, package or on the user manual. Devices with the Qi logo will be interoperable. The charge pad may not always work 100% on devices or accessories without the Qi logo.

* There are 3rd party vendors that sell Qi certified smartphone sleeves. They may carry the Qi logo will be guaranteed to work with the charge pad. There are many wireless charging accessories that are unlicensed and not tested. These will not carry the Qi logo and may not work with the charge pad.

* The charge pad may charge slower than a wired charger. That is due to the limitation of the bundled power adapter.

* Cut 30% closer in less strokes - versus SensoTouch

* SmartClick cleansing brush - compared to manual cleansing in same condition, according to the results from the external clinical test on 30 candidates and in 3 hours after cleansing

* Removes up to 7x more plaque - than a manual toothbrush.
